Paint Project

You may have noticed that the Infant's room looks a little brighter! We have a few more finishing touches to transform it into "The Hundred Acre Woods", but with the help from some very talented volunteers we have a good start. Thanks to everyone who has been helping!

We have had some generous donations from church members, parents, and staff so we should have enough to purchase paint for all the rooms. I know you and the children will love the transformation. Again, thanks to all of you who have helped to make this possible.

Keep in Mind

Just a few things to keep in mind when at the center:

Intercom

The intercom at the door is touch free. All you have to do is speak and we can hear you, no need to push the button or get up close to the speaker.

Parking

The curb in front of the entrance is a FIRE LANE, please do not stop or park there at any time as this is a safety hazard

Sun Screen

It's getting hot out! We have begun putting sunscreen on all of the children before they go outside. If you would like to provide your child with their own sunscreen just bring it to the center with their first and last name clearly marked on it.
